My dear Constant,

It is so many years (1968) since we saw you in Birmingham. I do hope this note finds you well.

My wife and I will be in Amsterdam for a few days from the 23rd to the 27th November. We shall be staying at a small hotel, "De Gouden Kettingh" 268 Keizergracht. Tel 24-82-87.

One of the reasons for our trip is that Karel van Stuijvenberg is buying my picture from the Cobra show, the one illustrated in the catalogue.

I'm sure he has some of your paintings.

We went to the opening in Paris where we met Karel. Saw a lot of Gilbert, Ragon and one or two others.

Have been in correspondence with K. O. Gütz who is working on his autobiography these days.

Anyhow, I hope there will be a chance to say hello in Amsterdam.

I enclose ~~a couple of recent catalogues.~~

With best wishes.

Bill Graw.
