Dear Constant,

It was a very great experience to see your exhibition in Amsterdam and I really look forward to show a selection here in Aalborg.

The final formalities are now being arranged, and I have contacted the Embassy in Copenhagen to see if the Ambassador can be present on the opening, which will take place (as agreed) on February the 16th at 3 p.m. (your dog will also be most welcome).

The poster will possibly be the same as in Amsterdam, - regarding copy right I hope this is all right for you.

I will write you again as soon as I have any news.

Best greetings.
